

References

References are divided into three parts. Part I contains entries which are not abstracted in any of the three surveys. Part II is a list of research studies on Indian Education completed in the universities of the U.K. and the U.S.A. These are referred to in Chapter 19 of the current volume. Part III contains all research studies which are abstracted in

'A Survey of Research in Education' (1974), 'Second Survey of Research in Education' (1979) or Third Survey of Research in Education (the current volume). The figure (1, 2 or 3) at the end of each entry in Part III indicates the particular volume where the abstract is located.
