

## References

References are divided into two parts. Part I contains entries which are not abstracted in any of the four surveys. Part II contains all research studies which are abstracted in 'A Survey of Research in Education' (1974), 'Second Survey of Research in Education'

(1979), 'Third Survey of Research in Education' (1986) and 'Fourth Survey of Research in Education' (the current volume). The figure (1, 2, 3 or 4) at the end of each entry in Part II indicates the particular volume where the abstract is located.
